

Our organization is dedicated to advancing human resource management throughout the state of Georgia government, as well as providing professional development opportunities for its members.

GCHR serves the needs of the HR community by advancing the human resources profession to ensure its recognition as a valued partner in developing and executing organizational strategy.

GCHR's Mission:

To provide relevant developmental opportunities that enhance the competencies of Human Resource professionals employed in Georgia's public sector.

GCHR's Vision:

To be the leading organization for human resource knowledge relevant to Georgia's public sector.
